

HAWTHORN WOODS
BUILDING DEPARTMENT PERMIT PROCEDURES

GRADING REQUIREMENTS

All contractors and subcontractors doing business in the Village of Hawthorn Woods **must be registered with the Village**. The term “contractor” and “subcontractor” shall include, but not be limited to: any person or company who undertakes to construct, alter, improve, install, repair, remodel, rehabilitate, renovate or move any land, house, building or other structure (of any kind or nature, whether residential or not) or any fixture or any other item that is located on or in the ground and/or attached to something that is located on or in the ground. All registrations are \$150.00 per year.

The Village of Hawthorn Woods requires that a permit be obtained prior to any grading and are subject to the following requirements:

REQUIREMENTS

- Compliance with Title 8, Chapter 6 of the Village Code
- No foundation elevation shall be placed higher than 4’ above existing established grade
- Wherever possible, utility services shall be located in order to prevent damage to or destruction of trees on the site
- The existing grade shall not be altered, either by cutting or filling, by more than 4’
- Certification from a registered professional Engineer that flood proofing methods are adequate to withstand flood depths, pressure, velocities, impact and uplift forces, and other factors associated with the base flood (Ord. 894-00, 3-13-2000)
- Call J.U.L.I.E. 48 hours prior to digging, excluding Saturday, Sunday and holidays 1-800-892-0123.
