PORTABLE STORAGE UNIT REQUIREMENTS:

Per Ordinance 1246-08

- Portable storage units shall be limited to fully enclosed temporary storage structures, to be located outside of a building on real property, subject to the following conditions:
- The maximum number permitted is two (2) units per zoning lot not to exceed 1,100 cubic feet in size and limited to two (2) separate instances per calendar year, for a period of not more than (30) consecutive days per instance.
- It shall be kept on a solid dust free surface not encroaching into any easement and not stacked on top of any other portable storage unit, container or similar structure.
- Dumpsters or other similar containers are not considered portable storage units.
- The property owner on whose property the portable storage unit is to be placed shall pay a permit fee per instance.

DUMPSTER REQUIREMENTS:

- Dumpsters or other similar containers shall be permitted to be located outside of a building on real property where no building permit is required, subject to the following conditions:
- The maximum number permitted is two (2) per zoning lot, limited to two (2) separate instances per calendar year, not to exceed (30) consecutive days per instance.
- It shall be kept on a solid dust free surface and not encroach into any easement.
- Debris placed in a dumpster shall not exceed the top or sides and is not to be stacked on top of any other dumpster, container or similar structure.
- Portable storage units or other similar containers are not considered dumpsters.
- The property owner on whose property the portable storage unit is to be placed, shall pay a permit fee per instance.

PERMIT MUST BE DISPLAYED ON UNIT AT ALL TIMES
